

Tainan National University of Arts
2022 academic year 1st semester

A short version of Overseas student immigration matters

Tainan National University of Arts
Office of International Affairs

Description of the relevant procedures for the entry process

Before entering the country

- ▶ Please see the relevant procedures for the entry-visa apply & entry permit/school consent letter.(P.3~P.4)
- ▶ Passengers coming to Taiwan from Vietnam must provide an antigen rapid screening report 6 hours before boarding.
- ▶ Take the flight on time.

Entering the country

- ▶ Complete the online health declaration of [Immigration Quarantine System] .
- ▶ After entering the country, you should cooperate with the command center. The current inspection measures are as follows:
 - ① When entering the country (day 0), collect saliva at the airport for quarantine and carry out a pathogen nucleic acid test
 - ② During the quarantine period, when you have symptoms or need to go out, use the COVID-19 rapid test kits. (since June 15, 2021, students can receive two COVID-19 rapid test kits at the airport (free) and can conduct self-testing!)
- ▶ Buy a Taiwan telecom calling(SIM) card at the airport.

After entering the country

- ▶ Survey of Freshmen at National Tainan University of the Arts
- ▶ Go to the overseas student reception counter of the Ministry of Education for check-in.
- ▶ Contact the staff of the Office of International Affairs of TNNUA once you have arrived.
- ▶ The airport staff assists students in taking the epidemic prevention taxi to the epidemic prevention hotel.
- ▶ Contact the International Affairs staff that you are already check-in at the epidemic prevention hotel..
- ▶ Conduct quarantine for 3+4 days in the epidemic prevention hotel, and on the 4th day after the PCR review is negative, you may go out if it is necessary.

- ▶ After completing the 7 days of quarantine

Description of the relevant procedures for the entry

(Information System for Foreign Students from the Ministry of Education to Study in Taiwan)

- Visa Apply operation process: **If there is any change, follow the latest regulations of the Ministry of Education.**

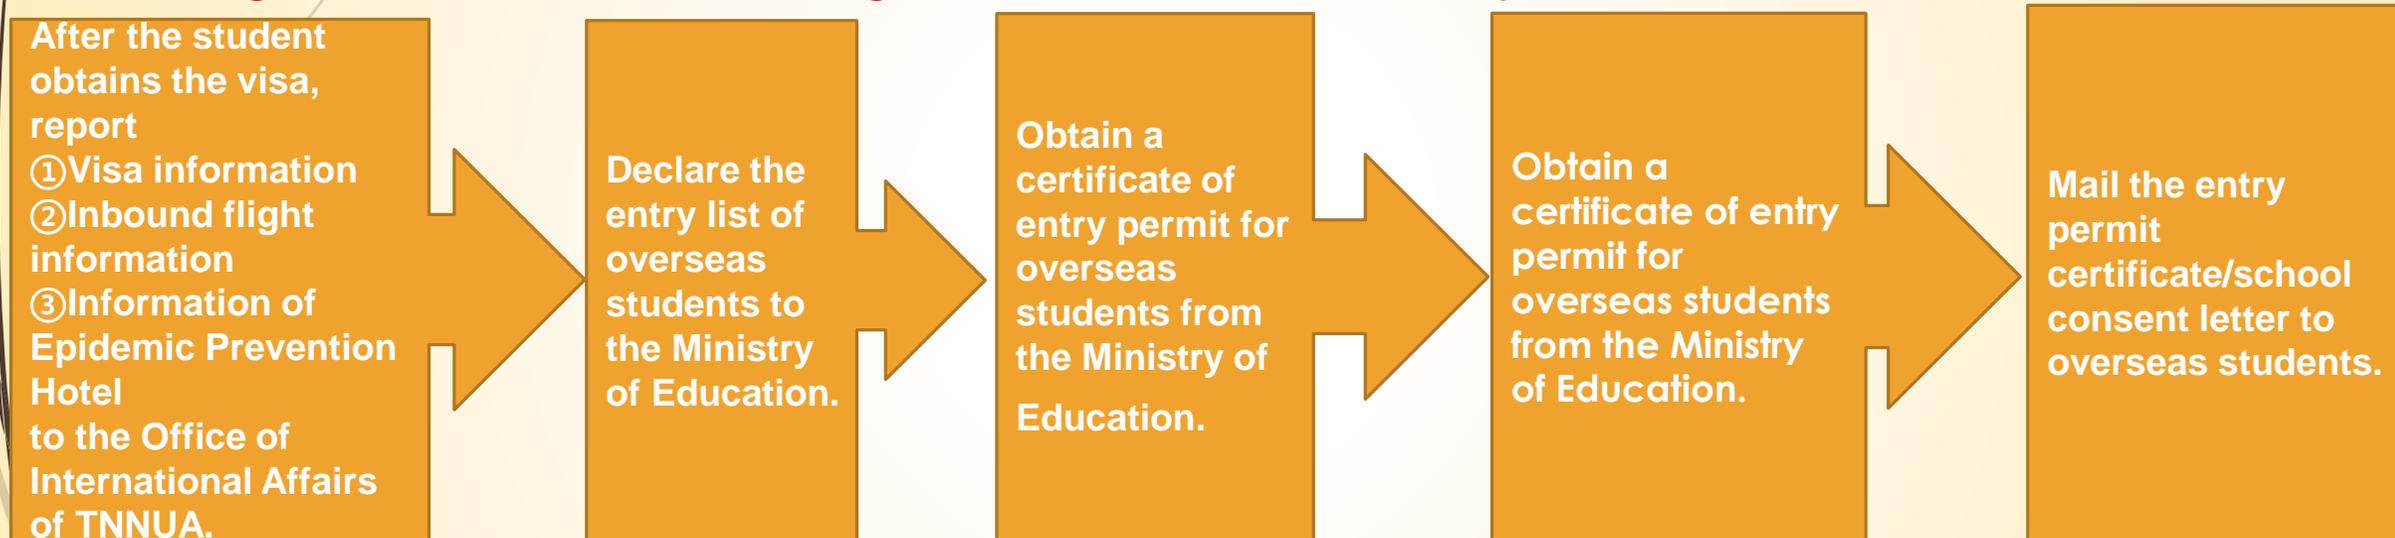

Note: 1. For visa apply, it takes about 5-7 working days from the application of the roster of overseas students to obtain the official documents issued by the Ministry of Education (excluding holidays).

2. Time for overseas students to obtain visas: by the regulations of local embassies abroad.
